Pressemitteilung Activision

Call of Duty XBOX 360 Update ist ab sofort verfügbar

Für Fans des PC Titels Call of Duty 2: Der Patch wird neben Punkbuster die beiden Multiplayermaps Rhine und Harbor enthalten.

Santa Monica, CA – March 21, 2006 – Fans of the award-winning, blockbuster hit, Call of Duty® 2, will be locked and loaded with today's Title Update for Xbox 360™ video game and entertainment system from Microsoft. Developed by Infinity Ward and published by Activision, Inc. (Nasdaq: ATVI), the Title Update offers significant enhancements, including improved multiplayer performance, the ability to reserve friend slots in private game lobbies, post-game lobbies so friends can play longer, configurable host options and more. The Xbox 360 update will be automatically applied the next time users log into Xbox Live® with Call of Duty 2. For fans of Call of Duty 2 for Windows® PC, Infinity Ward and Activision have also revealed new details surrounding the upcoming release of a highly-anticipated update, which will include the previously announced PunkBuster™ anti-cheat technology, as well as two new multiplayer maps: Rhine and the longtime community favorite Harbor, from the original Call of Duty®. About Activision, Inc. Headquartered in Santa Monica, California, Activision, Inc. is a leading worldwide developer, publisher and distributor of interactive entertainment and leisure products.
